Music Room London Takeaway Equipment Hire

Music Room London offer a vast array of sound, lighting and musical equipment for hire. Below you will find our 'Takeaway Hire List' which highlights some popular and useful favourites all at very special prices*. We have DJ equipment with a variety of mobile sound and lighting rigs to choose from including amazing Lasers. Ideal for house parties or smaller events and weddings.

Simply choose the system/equipment package that fits your budget. Call, pay and takeaway, bring back the next day.

For musicians we offer sound, lighting, amps and drums at incredible low rental rates. Other items can be made available on request. If you don't see the items or services you're looking for here please contact us and we'll gladly source the equipment you want to hire.

Music Room London can also provide bespoke systems for your event. *Our experienced technicians and engineers are also available for live sound solutions.

• Please note that unless otherwise stated prices listed here are for equipment that is to be collected and returned by the user. Different rates apply to equipment delivered and or set up by Music Room London.

For full terms and conditions please visit our web site at: www.musicroomlondon.com

Our hire department covers all aspects of live production, including out door events. We also have a delivery, set-up and collection service. In addition Music Room London can supply staging power distribution lighting for stage and events.

Music Room also offer professional sound and lighting equipment hire for your next live event. In fact we have a 'Music Room Solution' for everything from a party at home, bar or club, to community event festival or corporate party conference or product launch.

We have DJ Mixing equipment with a variety of mobile sound and lighting rigs to choose from plus we have a delivery, set-up and collection service available.

For smaller events house parties and weddings you can choose from a number of entertainment system packages or we can tailor a system to your specification.

We stock lighting for stage event or disco. In fact our Hire Department covers all aspects of live production including staging and power distribution for out door events.

Music Room London offer a complete live event production service for all types of out door events and we can provide the stage and power.
